NOTeD Application

General Overview

Introduction to NOTeD

1. The NOTeD system is a web-based platform developed primarily for candidates undergoing ophthalmology training in Malaysia. All trainees—whether in basic training or sub-specialty programs—are required to register with NOTeD to record their training activities and exposure.
2. Practicing ophthalmologists in Malaysia may also find the system useful for maintaining an online record of professional activities.
3. The system allows supervisors to monitor and assess training progress, with key features including:
 - An electronic logbook (synchronized with the National Eye Database),
 - Surgical performance analysis,
 - Logging of ophthalmology-related activities and milestones, and
 - Supervisor assessments.
4. In addition, registration for the Basic Sciences Examination (Ophthalmology) is available through the website.
5. All training-related updates and announcements will also be posted on the NOTeD platform.

Registration

1. If you are a new user and have no user account in NOTeD, click **Registration** link.

The screenshot shows the homepage of the NOTeD (National Ophthalmology Training and Education Database) website. At the top, there is a navigation bar with links for Home, About Us, Registration (circled with a red arrow labeled '1'), Security Policy, Download, and Contact Us. The main banner features the NOTeD logo and the text 'NATIONAL OPHTHALMOLOGY TRAINING AND EDUCATION DATABASE NOTeD'. Below the banner, there are logos for various partner institutions: Ministry of Health Malaysia, Academy of Medicine of Malaysia, Universiti Sains Malaysia (USM), APEX, Universiti Kebangsaan Malaysia, University of Malaya, and International Islamic University Malaysia. A 'NEWS & EVENTS' box on the left contains information about the 9th MedEx (Ophthalmology) Preparatory Course 2025, including dates, time, venue, and registration details. A 'Sign in to NOTeD' form is on the right, with fields for Username, Password, CAPTCHA (983695), and Key-in text you see above, along with a SIGN IN button. A 'FORGOT PASSWORD?' link and a 'REGISTER' link are also present.

The NOTeD is a web based system developed primarily for the use of candidates training in the specialty of Ophthalmology in Malaysia. Candidates undergoing basic ophthalmology or sub-specialty training in Malaysia are required to register with the NOTeD for the purpose of recording all of their training exposure.

Ophthalmologists practicing in Malaysia who wish to keep an online record of their professional exposure may also find it useful.

The progress of the candidate's training will be monitored and reported upon by supervisors via the system. Core components of the NOTeD include an electronic logbook (synchronised with the National Eye Database), analysis of surgical performance, logging of ophthalmology activities and training milestones as well as assessments by supervisors.

Registration for the Basic Sciences Examination (Ophthalmology) will be available on the website.

Information relevant for training will also be posted on this website.
